**Aimaq, Taimani
Afghanistan**

The ethnically mixed Aimaq tribes formerly stretched from northeastern Iran into western and central Afghanistan, where they still reside. Aimaq are known as formidable warriors. They live semi-nomadic lives, traveling seasonally to graze their herds and/or subsisting as sedentary farmers and carpet weavers in mud-brick villages. Strong tribal and family loyalties create difficult barriers for the message of God's grace found in Jesus. In addition, the Aimaq live in remote areas of Afghanistan. Scripture resources are needed in the Aimaq language. Pray the Lord will soften the hearts of the Taimani Aimaq toward the gospel message, and that they may hunger for the grace found in Jesus.
