**Kami
Nepal**

It is believed that the Kami entered Nepal from the plains of India and freely intermarried with the indigenous communities of Nepal. The Kami may have a low literacy rate. This suggests the need to communicate using stories from Scripture, and recordings of Scripture. Printed Scripture should also be made available for those who are literate. Pray for the Kami individuals who know and follow Jesus Christ. Pray they will not mix the Gospel of grace with past beliefs. Pray they will be quick to confess sin, and will learn to live in the power of Christ's Spirit. Pray they will be a faithful witness of Christ's goodness to family and friends.
