**Badhai  
India**

The Badhai trace their descent from Lord Vishwakarma, the divine architect. It is believed that Lord Vishwakarma created two groups of people, those who could work in wood were known as Badhai. They are largely engaged in carpentry. They accept cooked food from the Brahmin and Rajput, but only uncooked food from the Koh, Lohar and Od. Sustained, persistent prayer is needed. Pray especially for Indian believers to build good relationships with the Badhai Muslims. Pray for the Badhai to soon learn that their Creator loves them, and that he sent his Son to die for their sins.

For the safety of our children, we want to remind families of our child pick-up policy. This policy applies to ALL children, ages 0-12, attending one of our classes. Children will only be released to their parent, guardian, or a pre-arranged individual who is at least 14 years of age. If a parent would like to give another individual permission to pick up their child, they can do so by notifying the child's teacher prior to class time. Thank you for cooperating with our efforts to minister to and safeguard our kids!

**TEXT TO GIVE**

Want a quick easy way to give your tithes/offerings, straight from your phone? Now you can with Smart Giving! To securely make a gift, text "GIVE" to (812) 567-7771. You will be asked to register with a credit/debit card your first time. Don't forget to save the number in your phone. You can always text "EDIT" to update your information, set up a recurring gift, and check the status of a gift.
